

## Sally Dale Greenhawk

May 26, 1938 - April 10, 2019

Sally D. Greenhawk, age 80, passed away at home in Oxford surrounded by her loving children on April 10, 2019. She was born Sally Dale Biery in Baltimore, MD, to Eunice Pope and William Lawrence Biery.

Following the death of her father, she became a lifelong resident of Oxford at the age of 16. She was known for her unwavering love for children, the many smiles she shared as little acts of kindness, and the biggest, bravest heart you can imagine in a shy, little lady.

Do not let her size fool you. She raised seven strong-willed children – a fierce champion and gentle protector of us all. She nursed two of her chronically ill children throughout their short lives. She learned to drive at the age of 32 in order to transport her children to doctor's visits. She was also a foster mom (and an unofficial "Mom" to the countless friends of her children who wandered in and out of her home).

This sweet, retiring gracious lady became one of Oxford's first female EMTs, manager of a small electrical business, a caring dialysis technician, and the office manager of the Robert Morris Inn for 30 years. She sought to help other parents of children with primary immunodeficiencies and ultimately became a founding member of the Immune Deficiency Foundation formed under the direction of Johns Hopkins University.

Preceding her in death are, her sons, Philemon Carroll, Jr., and Kelly Patrick; her grandson, Logan Michael Reddish; her parents; and her sister, Rebecca Bauer. Left to carry her legacy forward are her children, Lawrie G. Dudley (Wick), S. Dale G. Jafari (Reza), Stacey A. Anderson (Ron), Michael D. Greenhawk, Sr., (Kelly), and Brian S. Greenhawk, Sr. (Mindy); her grandchildren, Jason (Karen) and Kaelon (Melissa) Reddish; Mark (Lynn) Jafari: Elizabeth and Wick I. Dudley; Catherine “Cat” Anderson; Courtney Wheelock, Michael Greenhawk II (Beth), and Ashlea Foxwell (Chad); Phillip (Katelyn) and Matthew Paul, and Sean, Jr. and Megan Greenhawk; great-grandchildren, Natasha and Cassandra Jafari, Cecilia and Lydia Reddish, Moira and Willow Reddish, Bryan, Maddie, and Emma Wheelock; Jacob, Emma, Gavin, and Saylor Greenhawk, Trent Foxwell, and Ella Paul will know the matriarch of this family through the stories we tell.

All who knew her understood her quiet dignity, her preference for small, intimate gatherings, and her desire for privacy. May you rest forever surrounded by those who stood waiting to greet you when you made your journey home. You carried with you all of our love – Always and Forever.

In lieu of flowers, the family requests that memorial donations may be sent to the Immune Deficiency Foundation, Talbot Hospice, or the Oxford Volunteer Fire Department.

A memorial service will be held on Monday, April 15, 2019, at 12 p.m. at Fellows, Helfenbein & Newnam Funeral Home, P.A., 200 S. Harrison St., in Easton, where friends may call one-hour prior from 11 a.m. – 12 p.m. Burial will be private.

“ We are truly saddened by the passing of Sally. For 30 years she was the backbone of the Robert Morris Inn as our front desk manager. She was always pleasant, a stickler for detail, and could multi-task like noone else. We could depend on her every day to make sure things were done correctly. We knew the whole family and most of them worked for us. They were quality people just like their mother. All the employees loved and respected Sally. Our condolences go out to the entire Greenhawk family. In loving memory: All us Gibsons: Wendy and Ken, Jay and Brenda, Ben and Santy, and Kent
