“ *Miss Sally Ann and Mr. Dorsey will always be two of my favorite people. They were always glad to see me and anxious to hear what was going on with me and my family. They always made me feel special even though I didn't see them often. I still have the baby blanket Miss Sally Ann crocheted for my now 14 year old. I just didn't have the heart to pass it along. It always made me feel like I had a little piece of her. She was very special and will be missed. I feel so blessed to have known her.*

“ Aunt Sally Ann was a beautiful, strong, funny, hard working woman. She was the ultimate farm wife and someone I looked up to a great deal. She loved her family very much. She will be greatly missed here on earth but there are a lot of people in heaven that have been waiting for her. The Stinchcomb family is complete once again in heaven. What an angel heaven has received. She gave her illness a good fight. Now she can rest in peace. Much love to all the Patchett Family. Julie, Mac, Jessica, and Shelby Stinchcomb

“ *Mrs. Sally was such a strong, kind, giving, caring, and loving lady. I had only known her for one month being one of her caregivers during her final days, but she made me feel as if I had known her my whole life. I admired her for her strength and selflessness. I am grateful to have met such a wonderful lady along with her loving family to say the least. Mrs. Sally and her family are in my thoughts and prayers everyday.*

“ *What a BEAUTIFUL, strong, and lovely woman! She was loved by all -- our family has been fortunate enough to have known her and her husband Dorsey, and son Brett and wife Carole and family for many years, and we have been blessed by that, as has everyone who knew them, I'm sure. She has earned her rest and peace many times over, and to be reunited with her loving husband.*
