“ *To Karen and Family-- My name is Andy Wilhelm and I worked at Westinghouse Oceanic in the Engineering Dept, retired in 1994. I knew Freddie and always enjoyed working with him. He did a good job, and he always had fun doing it. He had a great attitude! I'm glad to have know and worked with Freddie.*

“ Our sympathy and prayers to Karen and the family of Fred. I always thought of Fred as a happy and very creative individual whom I am very proud to have known over his 38 years in the defense business world. Fred always provided a valuable positive attitude in our daily operations. He made our days a pleasant experience and loved to discuss all subjects including "Punkin Chunkin" as the sport evolved on the Shore. We will all miss Our Friend, Fred!.

“ Karen and family, I am so sorry for your loss. Fred was a great guy and I will always remember hearing that laugh across the shop floor at work. I could talk with him about anything and he'd always make me smile. May he RIP.

“ *Karen and Family,
At a loss for words to hear of Fred's passing. Fred always had a smile and something funny to say when we would see him at work. We cannot be there with you, but know you are in our thoughts and prayers. May God wrap his arms around you and get you through this very sad time.*

Deepest Sympathy,
