“ *I first knew Sam in kindergarten. She was kind and funny and easy going.*

Sam was the first friend to ever invite me over for a play date, and it was a perfect day.

We played all over their home, and even in the stream that ran behind their hime. I remember soft pebbles and very cool water.

Her mother put my wild hair in a lovely ponytail, we ate a nice meal, and they took to meet Mt patents at a parade; I guess the trade off...

Anyway, it was the perfect day, really, just playing, talking, and bring around a kind and gentle family.

I remember we talked a lot. From that moment forward she was loved by me forever.

In my heart that kind, fun little girl who wanted me to come play for the day, will always be loved and missed!

Sam, I love you, and I'm very very sad you have left us. You taught me how it feels to have a friend!

I will always remember dressing up her Siamese cat Ming... Her two Great Pyrenees dogs we played with and rode on.. Bridgett and Ally. We used to play dress up and put on my moms heels and makeup. Sam would always put on tons of sparkly blue eyeshadow! We took ballet together, kindergarten together and even when I left white marsh to go to catholic school we remained close friends and I spent many nights at her house. We worked together for years at bayside driving school... I was at her wedding and I remember the day she found out she was having twins. We didn't know whether to laugh or cry it was such a shock! We laughed... She moved to KY years ago but I saw her a few times and we went to lunch not long after she was diagnosed with MS. It was heartbreaking... Rest in eternal peace Samantha... I will never forget your smile..
