“ *Words of Wisdom from Edgar Glenn: "Take care of the pennies and the dollars will take care of themselves." We have been the pennies in Mr. Edgar's life. When others have discounted us as worthless, he reached down and picked us up. He put a shine in our tarnished lives, and our value is 100 times more just by being in his presence. Next time you see a penny on the ground, reached down, pick it up, and thank God for Mr. Edgar. (1 Timothy 6:17-19)*

“ Early this morning, one of the greatest men I have ever known left this world to enter heaven. He was compassionate and strong beyond words, always willing to help another. He was a man that all men would want to emulate. He was a veteran of World War II, a lifetime volunteer fire-fighter, a lifetime servant of the Lord, and a great husband, father, grandfather, and great-grandfather. I'm glad my son got to meet the man, albeit only for a brief time, that I have looked up to all of these years. There are no words to describe the loss I feel, but I am comforted that he will hear – “Well done, good and faithful servant. Enter now into the joy of the Lord.” – Love you pop-pop.

“ Mr. Edgar, I had the privilege of sharing my life with you. You were truly an inspiration to me while being a member of the Fire Company. You brought knowledge, wisdom and peace of mind to all of us. There were many times where I had to reach out to you while being President and ask you for advice. You always had the answers, always lead me in the right direction. I don't think I could have done it without you. Your job is now complete, rest in peace. Although your gone, your spirit will always shine over us and keep us safe. Thank you Mr. Edgar for everything. Until we meet again....
