“ Sandy was such a pretty girl. Always a beautiful smile. I loved her personality. Through these years I have thought about her. Our class of '82 was always a close knit class. Not many people can say that about their classmates. Sandy was part of that bond too. Rest in peace my sweet class mate.

“ I just came home to this very sad news! Truly can't believe that Sandy is gone. We were such good friends from the good old school days and had many great times together! Those memories are very dear and I will always hold them close! Sandy had a big heart and a unique spirit. I admired her for always knowing what she wanted and her focus to make it happen!
My thoughts and prayers are with the family. Please know how sorry I am for being out of town during her memorial service!

“ Even though Sandy and I didn't talk every week or month we stayed in contact over the years. I will miss talking to her and yes that little laugh. Even at her times of great sickness she thought of others first. She always had a hug for those that she knew and loved. Remember her for all the goodness in her heart and know that she will be with you always.
