“ *I had the pleasure of working with Sandy. She was a pleasure to be around, always had a smile on her face. Whenever I saw her out and about she always made a point to talk with me about my kids and ask how I was doing. She will be missed. Prayers for your family during this time of sorrow.*

*Dave , Sonny and I just found out.  
She was my friend and guide for many years. I will always remember  
the fun , projects, pets and other special things we got into. She was a  
totally unique individual. She always knew what to do and we all  
followed her lead. I Can just see that knee bouncing when things were  
too slow. Even though we haven't been physically (we're in Florida)  
close in a very long time she will always be in my memories. Take care  
of yourself.*

“ *I am so sorry to hear of the loss of Sandy.  
She will be missed. She always had such a  
beautiful smile and a friendly word at church.  
My thoughts and prayers are with the family.*
