*I just found out about Sandy's passing and we are heartbroken. I met Sandy through mutual friends and we became good friends. My husband and her share birthdays (July 4) and would always wish each other Happy Birthday. I have never met anyone who worked as hard as she did. As years passed, and she left Walmart, we didn't see each other often but she never missed calling me on my birthday or holiday. We wouldn't talk for months, then when we did we could always pick up where we left off. I will miss our conversations. I never met her sons who she loved with all her heart...she always talked about them with so much pride. Rest in peace my friend. We will miss you.*

“ Its taken me 3 days to think about what to write. A long time has passed since your were in 6th grade and I your teacher, then you got married and I was your photographer. Teaching the boys in computer class in high school, bowling with your dad in Chestertown. WE shared many hours at the restaurant, Helen and I eating and sharing local gossip and memories. Over 50+ years we have become good friend with you and the rest of the family. We now pass on our friendship of you to the Lord who will give you the glory you deserve.

*What a great friend and employee gone way too soon. You always loved to see our kids and treated them as if they were one of yours. We appreciate all the time that you gave to Fisherman's Inn. You were a great employee and part of our family for many years and we were upset when it was time for you to retire. You put up a good hard fight, so now it is time to rest in peace. You will be missed by us all.*

Sandy, you left us too soon, we weren't ready, I will miss you always, eating oysters, talking about the soaps and just checking in on each other, I was happy to get little sister when you came hanging on to Sammy's hand when you both were born, what an awesome surprise
