“ Jane was my cousin~although I had not seen her for a number of years-I had not forgotten her. Many times she came to my thoughts-I am so sorry I didn't follow through & make the extra effort to see her. I had invited her to a Family Reunion a few yrs. back--I had hoped to see her there. Again we didn't make contact. I know she will forgive me for not making this visit on earth possible. I will look forward to smiling & seeing her again someday in her heavenly home.

May peace & comfort come to all those family members who loved her.
