“ I am saddened to hear of Sarah's death. I worked with Sarah for a lot of years at the Ewing New Jersey Police Department. She was the Administrative Assistant in the Detective Bureau for many years and was integral with the operation of that branch of the police department and in helping with solving many cases. The Detectives could be interviewing a suspect, victim, or witness, and Sarah would be recording the statement at the same time on her computer. And when I was promoted from the Detective Bureau to the Administrative Offices of the police department Sarah was also promoted and moved with me as the Administrative Assistant to the Executive Branch, overseeing the administrative and operational function of the Ewing Police Department. Sarah was an extremely dedicated, talented, hardworking, and pleasant employee. I not only considered Sarah as a co-worker...I considered her my friend. She was a good woman. I send my heartfelt condolences and sympathy to her family. And I pray that God gives you all His peace of mind and heart to help you through this most difficult time.
