Sarah Elizabeth Egan of Lynch, MD died on June 5, 2021. She was 32. She was born in Ithaca, NY on February 5, 1989, the daughter of James and Lee Ann Egan of Lynch, MD. “ I just found out about Sarah’s passing this evening when her dad texted me back from her phone after sending Sarah a message a week ago about grooming my cat. I drove from Bethany Beach, DE to The Grooming Place for many years because only Sarah had groomed my cat while I was in Annapolis and then I moved to the beach. Sarah even drove to Bethany for grooming and brought Jane to stay at my house for a girls beach weekend. I loved her. My mother, Jan, was her sponsor for awhile in recovery and our family extends our sympathy to Jane, her parents and other family and friends. I will cry but then I will remember your smile and kindness my little, sweet Sarah.

“ I am so very sorry for your entire family. I have known Sarah for 9 years. She gave me my present dog Jack. She came to my house on May 26th and groomed Jack and cat Ginger in Annapolis. She loved Jane so much and was so proud of her and loved going to her lacrosse games. She was a wonderful and caring young lady who I loved very much. I just found out tonight of her passing. May God Bless you all. She will be missed by many. Jan Nuscher

“ *To the Family and Friends and all those who loved Sarah, I am so very sorry for your loss Sarah was a precious soul.. I met Sarah at the grooming salon last Wednesday. We chatted about the beautiful job she was doing grooming a very large white poodle. She had a beautiful smile. I know you will miss Sarah's smile and her laugh. I pray that you will find comfort knowing that Sarah is at peace. My deepest sympathies. Robin M.*

“ A memory I wanted to share....  
Sarah gave me a call and said she had "a dental issue" Me thinking it's for her, she hurry to tell me "go get your instruments and come over" I'm thinking I'm going over to look in her mouth and instead she has her dog up on the couch with his mouth wide open "Meagan I want YOU to clean my dogs teeth!" We had so much laughter as I cleaned his teeth! From then on I came over couple times and did this! Something I will never forget.

“ *I have so many memories of Sarah from childhood- she was the adventurous one who could always find something for us to do. Never a dull moment with Sarah. I can still vividly picture her snuggling with Clancy, her lime green room, walking through the kitchen to pick up a bite of pepperoni roll, her teaching me how to put on makeup, jumping on the trampoline in her backyard, or swinging on the hammock. I'm so sorry to hear about this loss and sending so much love to the Egan family.*

“ I'll always have the fondest memories of you growing up and attached to my hip as a little girl! All while I was at the very beginning of my bratty teenage years and couldn't stop whining about going back home. Fast forward to a few years later and I can still see you carrying around the stuffed purple tiger, I gave you!! I love you mostest and I'll miss you for ALWAYS!! You were so special to so many people and I hope you knew that all along. You're going to be beyond missed and ALWAYS loved

“ I met Sarah when she came to work with us at Bonnie Plants. That woman was incredibly hard working, running circles around other employees! We all fell in love with her smile, spirit, and huge heart. How could you not? After a couple of seasons with us, Sarah went another direction. I remember running into her in Chestertown around Thanksgiving. Jane was with her and I was meeting her for the first time. Sarah's pride in her daughter was evident. She was beaming introducing us. Sarah touched my heart. Knowing she faced personal challenges, I always respected the heck out of her for facing them and fighting like hell to overcome them. Her smile, spirit, and huge heart never changed, whether it was a human or an animal she was with. She will forever be remembered fondly and with love. To her family and friends, I offer my prayers for comfort and peace. Thank you for sharing your Sarah with the world. I am better for knowing her.
