“ I had the opportunity to experience Sarah's hospitality when I visited Baltimore with her daughter. We were up for a teacher conference and went to her house for lunch. I gorged myself on soft crab sandwiches, beef steak tomatoes and strawberry short cake. It was exquisite. I was made to feel very much at home. You don't find that kind of hospitality much anymore. She was a gracious lady. Terry Cook

“ I so enjoyed being able to spend some time with Ms. Peggy during that last couple of years, even if it was work related. We had some great conversations about the friendship she had with my Mom! We had some great conversations about our dear little town of Queenstown! May she rest in peace. May the family find comfort in good memories and fun times. She loved her children dearly and continued to miss her beloved Kenny. It brings me comfort to know she has been reunited with him.

Fondly,
