“ Sally's obituary lists her as a (proud) graduate of the Brandywine HS Class of '67-(parens mine). Sally contacted me a while back in regards to listing herself on the Class of '67 website which I maintain. She listed her proudest accomplishment as “getting my children raised and out into the world as productive adults.” I don't think you could ask for a greater accomplishment than that.

My condolences to Sally's family, she will be greatly missed by her fellow Class of '67 classmates.##imported-begin##Kevin Donohue##imported-end##
