“ Sara tended to my Dad when he was in Chester River Manor. She was an angel with a soft, sweet smile and loving nature that soothed and comforted all her patients. She was indeed a treasure. She could always make him smile during his last days and for that we are eternally grateful. Though nothing we could say can possibly ease your family's pain, please know that you and your family are in our prayers. Please accept our sincerest condolences.

God Bless you all,

“ *To Sara friends and family she will be dearly missed and loved forever .. She was a wonderful lady and was there to make many smile and laugh .. we will mis ..*

*God looked around his garden,  
And found an empty place.  
He then looked down upon the earth,  
And saw your tired face.  
He put his arms around you,  
And lifted you to rest;  
God's garden must be beautiful-He always takes the best.  
He knew that you were suffering,  
He knew you were in pain;  
He knew you would never get well on earth again.  
He saw the road was getting rough  
And hills were hard to climb  
So he closed your weary eyelids, and whispered,  
"Peace be thine."  
It broke our hearts to lose you,  
But you didn't go alone,  
For a part of us went with you,  
The day God called you home##imported-begin##Donna

“ I had the pleasure of meeting Sara at Woodstock Job Corps. She was a sweet and determined girl with a huge heart. It's unfortunate that she left us at a young age. I'm sure she had so many more goals to accomplish, and it goes without saying that the lives she touched here on earth will never forget her. I bless God for your sweet spirit. My deepest condolences to the family.##imported-begin##KACEE ##imported-end##
