*My first year at USA, Shamia was my secret Santa for Christmas gift exchange. I asked for anything Ravens. She did just that, I received at least 4 or 5 different things! Last time I saw Shamia (about a month ago) she was the same as she has always been from the first time we ever met. She was so caring, giving and a great person to know. She will definitely be missed! Prayers for the family and the children.*

“ Ms. Teeny, Mr. Howdy, Kareem, and children,  
I don't have to tell you how wonderful your daughter, and your mother was. She brought joy to everyone she met. She was such a good friend to me, and so many. I have so many memories I could write a book. No mater what kind of day you were having, she knew how to make you laugh, and smile. I always called her Sunshine , because she was the happiest person I knew. Shamia will be deeply missed, but family know that we all loved her, but Jesus loved her more. Praying your strength, and as Shamia always said "Sending you love with big bear hugs"!
