Heartbroke that your gone, but glad I have the memories of you to look back on. Our endless nights playing Yahtzee and scrabble, spending weekends with you when I was young.....time went by and we lost touch in our busy lives but I always had a special place for you in my heart that no one else could fill! You are missed more than I can say 😭

Prayers sent to Jimmy, Vince and family Here's a little poem I wrote. (I know that you are grieving and may have even cried, I know myself how hard it is when someone close has died, But just remember one thing to keep your head up high, God and Sharon will always be forever by your side.) Thinking of all of you.
