“ Sharon was a wonderful friend--I will miss her so much. We worked together at Harford Co. Library in Edgewood and Bel Air and shared so many memories of that time. She was fun to work with, patient and helpful with co-workers and the public. She had a real commitment to library service, and later to her work in the church. She had a deep faith and was so good at sharing that with others in a quiet way. To Laurie and Stephen and all the family--you meant the world to her. I am so very sorry for the loss of your mother and grandmother. I wish I could pray the way she did--she would have the words to comfort you. I know that her faith which sustained her, and her loving spirit, are with us still.
