“ So sorry to hear of Sharon's passing....we were friends since grade school, and she was my 4th grade "valentine". Always a big smile and a head of steam just like her mom. My condolences to Jeanie and family...life is fleeting.

“ I will certainly miss Sharon, she was one of a kind! We were in the Master Gardener program as well as neighbors. Godspeed Sharon.

“ Sharon and I met in April 2022. We connected immediately. Sharon wanted all the sweets available in the house: jellies, jams, and chocolate. We had a good laugh when she called my name, armed with full jar of honey, and dumped it down my throat. We laughed until we were silly. That's the Sharon, I knew. Wish we had longer...

“ Sharon was my best friend for almost 50 years. I already miss talking, texting & emailing her. She not only loved me, but my daughter & "perfect" granddaughter. We think about her everyday. She was always fun & generous. Unfortunately, there aren't enough words or space to express what a tremendous loss this is.
