“ Aunt SharShar could tell a story like no other. She was so animated and comical. So descriptive that you felt like you were there witnessing the story yourself. It's because of her that I feel I know my pawpaw who I never got to meet but her stories brought him to life. She will be so greatly missed, I love you so much Aunt SharShar! I know you and Aunt Denise are embracing as well as your "Mommy & Daddy" as you always referred to them. Continue to watch over uncle Jim & the kids as I know you will.
