“ Hey Shawn. I really hope your remember me. It's Drea I use to live out Brittany Bay with you. When Kenny had told me like 3 years ago that you had passed I was beyond heart broken. I had thought about you & wanted to find you to see how you was doing. Now, I was just sitting up here thinking bout you.. I miss you & I miss our times. You was definitely like my little bro. I wish we was still in contact because knowing I couldn't find you or talk to you hurt me. I know it's been years but I'm always thinking of you.. May you rest in peace my friend ❤️

“ Shawn,I only knew you as a young teen in your years at Brittany bay. But I always felt so bad for you. I remember telling you what a good boy you were for practically raising your sister Caroline. You certainly did not have anyone to guide you,and took on the role of mother andfather for Caroline. And you practically raised yourself. The only adults you had to help were your neighbors.i didn't live there but visited often and saw a lot.i was so upset when I heard of your passing.may you rest in peace and finally you will be taken care of by our Heavenly Father in heaven.. Condolences to your little sister,Caroline.
