“ Cherly - I am so sorry for your loss. Sheldon was a great friend whom I share many fond memories of. If we weren't fishing or playing basketball at your house then we were four wheeling or swimming at my parents. I was reminiscing with my mother and she told me Sheldon called to wish her a Merry Christmas for years after I moved out. That is the type of person he was and will be remembered for. You and your family always welcomed and treated me like your own so if I can help out in any way please let me know.
