

## Shelley Taylor

January 12, 1960 - September 7, 2022

Sheldona “Shelley” Lord Taylor passed away in Easton on September 7th, 2022. She was 62 years old.

Shelley was born on January 12, 1960, in Baltimore, MD, to parents George Robert “Bob” Lord and Shirley (nee Forrest) Lord of Oxford, MD. In 1971, the family would move to Easton, MD, where Shelley would go on to graduate from Easton High School in 1978. After high school, Shelley would attend Chesapeake College and then would go on to work for her father’s trucking company. In 1982, Shelley married the love of her life and best friend, Norris “Norrie” Taylor, Jr. of Easton.

Shelley was an excellent cook and loved interior design. She was also an avid reader of Scripture, in which she had a deep knowledge. The most important things to Shelley were her faith in Christ and her family – her husband, Norrie, and their three children: Caroline, Michael and Matthew. Her children thought she was the best mother in the world and also the bravest as she battled Amyotrophic Lateral Sclerosis (ALS or Lou Gehrig’s Disease) to the very end. Shelley will forever be remembered by those who knew her as someone who always put others before herself.

The family would like to thank the staff at Talbot Hospice who provided Shelley with such excellent care.

Shelley is survived by her husband, Norrie Taylor, Jr.; three children, Caroline Pruitt and husband, Jacob, Michael Taylor, and Matthew Taylor; and a brother, George Robert "Rob" Lord, Jr., and his wife, Faith.

A private funeral service for Shelley will be held at Oxford Cemetery.

Donations in Shelley's memory may be made to the ALS Association at [www.als.org](http://www.als.org).

“ *A Poem For Shelley:  
The angels looked down from heaven one night.  
They searched for miles afar,  
And deep within the distance  
They could see a shining star.*

*They knew that very instant  
That the star was theirs to gain,  
So God took you up to heaven,  
With our memories to remain.*

*Shelley was taken too soon from here  
For that we cannot blame  
Because she will always be within our hearts  
Now free from illness and pain.*

*With love and sympathy to the family,
