“ *My memories of Sheryl a very very special girl. That, I got to know in this life time. I love her so much and will miss her for the rest of my life. I only can wish it could have been a lot longer. When you passed you took my heart with you. i don`t feel like, I could love any body like I love you. Know one could ever fill the emptiness in my heart that you always filled. My thoughts and prays go out to your family and friends that loved and cared about you. I know all to well how it feels with you not being here. So rest in peace my pretty girl Sheryl Quillen. I will miss and love you everyday. Your Best Friend Glenn*
