The last time I spoke to Shirley was 1/23/2017. We talked about how we were related - Shirley was my Mom's (Annabelle) cousin. When we were kids and came to Rock Hall, we would go and play with Shirley's kids.. One time I remember a BAT flew into the kitchen and I can still here her voice trying to get it out.

The picture of Shirley on this site is actually how I remember her. Rest in Peace Shirley, I know you & Mom are having the best time reminiscing about the times that were spent with each other.

“ *My condolences, thoughts and prayers to the Ashley Children, Family and extended family and friends of Ms. Shirley. She was a beautiful person, kind, loving and caring, yet Stern in the direction she walked.. I have some really cool memories , as Ms. Shirley substituted our middle school class at times, way back in the day . She would put you in line, with that voice of hers, like a crack of a whip, all the while, snickering under her breath. Ms. Shirley raised an awesome family. God Bless you all, as I know you are all proud of who your mom, grand mom, and friend was. I will cherish the memories I have of her as I know you will as well.*

“ I can't hardly remember a time of my childhood/teen years of growing up in Rock Hall without Miss Shirley being involved... whether it was as our Cub Scout Den Mother or our Little League Team Mom. She was always there rooting us on, teaching us right from wrong and proudly marching alongside of us in every town parade.

She insisted on respect and refused to tolerate stepping too far out of line, but always willing to soon forgive and make us a sandwich for lunch! My memories of her will live on and always bring a smile and happiness of those times that I was lucky enough to have shared with her and her family, whom she cherished and raised to be the same good and hardworking friends to all of us as was she... we will all miss her dearly and deeply, she was everything that Rock Hall ever was (a giver) and then some!

RIP and God's Speed for your journey heavenward, with the host of angels and Mr. Billy awaiting your arrival and to welcome you to your new home.

Allens Lane's loss is definitely Heaven's gain!

*Until we meet again,
