

Shirley Bullock

December 14, 1934 - September 15, 2014

Shirley Ann Bullock, formally of Port St. Lucie, FL. and recently of Easton, MD, passed peacefully on Monday, September 15, 2014, at the University of Maryland Shore Medical Center in Easton. She entered this life in Pennsylvania on December 14, 1934, daughter of the late James L. McCurry and Elizabeth M. Ruffing McCurry.

Shirley was a devout mother to her children. She was active in their education, extracurricular activities, and all sporting events. One of Michelle's favorite childhood memories was when Mom took her to Walt Disney World in the 6th grade. One of Josh's favorite childhood memories was going to Burger King on Wednesdays if he had a good week at school. All throughout her life, Shirley enjoyed spending time with friends and family, particularly playing cards, even passing on a lot of her strategies to her grandchildren. Despite her repeated battles with breast cancer, she always held her head high, maintained her witty sense of humor, and she never fully realized how incredibly strong and resilient she was, always without complaint. She loved life, and showed it with her vibrant, happy attire, seemingly wearing her bright shining personality.

She is survived by two children, Michelle Bullock and Josh Bullock; Josh's wife, Erin; and her beloved grandchildren, Paige, Layne, and Tristan; her three brothers, Bob McCurry, Francis McCurry (Arlene), and Bill McCurry (Dianne);

sister, Peggy McCurry-Hartman (Tom); and fifteen nieces and nephews.

“ I enjoyed getting to know your Mother/Grandmother over the past few months at Heartfields. We shared a common love of country music and had a few long talks at night on the back porch. She gave me words of encouragement and I will cherish them. I will continue to keep your family in my thoughts and prayers during this difficult time. Lanai Riggan

“ We will remember her smile and laughter while sharing stories over a deck of cards. Rest in peace!
