

Shirley Ann Frampton

October 10, 1949 - May 19, 2016

Shirley Ann Frampton of Easton, MD, born October 10, 1949, was reunited with her parents in Heaven on May 19, 2016, after a brief illness.

She was an adoring mother and grandmother who loved nothing more than spending time with her grandchildren. She was known to all as Mom-mom Shirley. That was her identity, and she loved it. Nothing gave her more pleasure than rocking her 'precious babies', helping them 'cook' with baby powder, watching them play sports or lending an understanding ear.

Shirley was predeceased by her parents, William (Bill) and Dorothy (Dot) Frampton; her son, Robert Lynch and his wife Amy Lynch; her daughter, Pamela (Lee) Newcomb and her husband, Trevor Newcomb; her grandchildren, Kristen Lynch and brother Carter Lynch, William (Baker) Newcomb and brother Ellis Newcomb; a brother Robert (Bob) Frampton and his children Robert (Rob) Frampton, Alexandra (Lexi) Frampton and Christian Frampton; along with additional family and great friends.

Fellows, Helfenbein & Newnam will conduct a private service. Donations in memory of Shirley may be made to the Biggie Black Sox 13U Green Baseball Team % Robert Lynch, 9 Plum Street, Easton, Maryland 21601.

Shirley, your caring, kind and selfless ways are known by all of those fortunate

enough to have been a part of your life and you have exemplified what a truly beautiful person is.

“ As I will always remember Shirley, it is with her zest for living
For her eternally warm smile and her special ways of giving
It is so hard to believe, that she is no longer physically here
Yet I treasure the memories of her, as a person she was so dear
Always inquiring about others, and extending her family care
I'll always remember and love her,
Anytime.....Anywhere.....
With love,

“ I met Shirley through work, when we both worked for the State of Maryland. We became fast friends and I adored her. She was the most giving and kind person I ever met. We did stay in touch after she retired but I am sorry that I had not seen her in a while. I send my sincere condolences to her children, grandchildren and all of her family. She loved you all so much and was so very proud of Robert and Lee. Rest easy my dear friend and know how very much you will be missed and how much I love you.

“ I grew up down the street from Shirley so I have known her all my life and I have never met a more caring and kind person. Shirley would do anything for anybody. She liked to feed everyone and was a great cook. She was my daughter's God Mom and once after Paula had spent a weekend with her she came home and asked why couldn't I cook like Shirley did!! Shirley was a beautiful person, inside and out and I will miss her terribly.

“ Shirley was my cousin, we shared a lot of good times together with Aunt Dot and Uncle Bill and down in Newcomb at Mom-Mom and Pop-Pop's house. But as we grew older we grew apart. I can't understand why families do that, then you hear of death like Shirley's and you stop and think " why didn't I know about this?" I remember Shirley's smile like is in this picture and that's how I will always remember her.. Dottie Jones (Kilmon)

Shirley was part of our extended family for as long as I can remember. We saw each other through good times and bad times. I will miss her a lot but I know she is with Aunt Dot and Uncle Bill. My sympathy is with all of her family. I will keep all of you in my prayers and let Dad or I know if there is anything we can do for any of you I know your mom would want that as well.

I met Ms. Shirley one day in Target. She did not know me from any one, but she would always hold a conversation with me. One day she mentioned that she had a daughter named Lee. Little did I know that it was the same Lee that I worked with. And from moment on I felt as though she was my "special friend"

“ I first knew Shirley in 1959 when I was 19 (almost 20) and she was 9 years and 4 1/2 months. I was just married and at the time that was a sizeable age difference. We were friends with her parents and had many good times together.....back then most of those times included our children. As life moved on Shirley grew into a young woman, married and raised a family and that age gap between us became less and less and we became friends as adults. There can be no doubt that she was devoted to her children and grandchildren and proud of her family. My heart is with her family diuring this time of loss and life without her.
