“ *My heart hurts for you both Christopher and Ethan. Your mom always made me smile...whether it was telling me of one of her adventures, corny jokes or scooter mishaps. She loved to see other people smile and did her best to make that happen. I can tell you that the two of you were the most important people in her universe! She was so happy and proud of you both and wanted you to have amazing things in your lives. With all the pain and sorrow that you feel, I have faith that she is looking down and will be your Guardian angel to get you through whatever life brings your way. Although I will desperately miss her, I am a better person for having known her.*

“ Christopher and Nathan, I am so sorry to hear of the loss of your mother and my friend. Words cannot express how heavy my heart is. She was a wonderful person and one of my first friends when I relocated to Chestertown. I will miss her bubbly personality and big smile whenever I saw her. She was so proud of the two of you, so so proud. I am at a loss for words. Please know my thoughts and prayers are with you. She is now again reunited with your father, the love of her life. May she rest in peace.
