*I love Ms. Joan and Mr. Stanley the were like family when we were young, never forgot the meatloaf story. I was talking to Mr. Stanley at the House of the Pines and he said when he ate meatloaf over the years they would remember this and Dad Mr. Stanley would raise his fork like he was toasting him. I thought how cute that was after all these years....I will miss him, he was always by the back door when I went to visit Roz....  
Love to the family!!!*
