“ *Marcie and family please know that Stan will be missed by friends as well as you his family. He had such a handle on things in the art world and at KIFA and he was a "go-to-guy" for ideas and information. He certainly gave me lots of advice and connections for supplies that he found were best. I'll miss his soft spoken manner and smile.*

“Joyce and I are deeply saddened to learn of Stanley's passing. To Marci and family we send our love and prayers. I am sure that Stanley was met by my mother and father on his arrival in heaven to thank him for being a kind and loving grandfather to Eric. My father passed away many years before Eric's birth and I am sure he would not find a better man than Stanley to stand in his place as a grandfather. His love for Eric and all the grand children was apparent from the first time I met Stanley. A good man is now in heaven. Rest in peace with the knowledge that you are much loved and will be greatly missed by all.

“My family and I have been so blessed to have been included in Stanley's embrace. He shared our new married life, the birth of our boys and the milestones in between. There is a special place in our hearts for Stanley and we were confident of our place in his. He modeled healthy marriage, unconditional parenting and love and service to others. We will continue to hold Marci and the family in our thoughts.

*Much love,
