“ I am saddened to hear about Mike. I went to grade school with him at St. Mary Magdalene. I liked Mike but lost touch when he went on to St Joe's then into the service. If any members of his family would like some pictures of Mike from his St MM days, please send me an e mail at tony1717@roadrunnercom.

I am sorry for your loss.

“ Mike was a special friend for many years. Not only personal but work as well. I loved him dearly. We had a special bond that continued right up to his death. So happy that I got to see him very recently and tell him how much he meant to me and reminisce. I was blessed to know him as a person and use his company to support radiology departments in two different hospitals for 30 years. You were a Stand Up Guy..... I love you.....Barb
