“ *Ginny,*  
*Though I didn't know Stan well, when we would meet in the clubhouse, all it would take was a quick question about the beach house and his eyes would light up and he 'd animatedly tell me about the latest progress when you were building the house. I think having that get -away where he could become 'fisherman Stan' was a wonderful addition to his life.*  
*He was such a valued member of our community as well, especially the hours he spent volunteering his expertise as a member of our Board of Directors. He will be missed by all of us in Cove Creek. We send our love and condolences to you and your family and will keep you in our prayers.*

“ *Beeba, Bob and I send our sympathies, prayers, and love to you, your family, and friends as you go through this difficult time.. While I never knew your father, I know he must have been a great man to have such a nice person as you for a daughter. We have become friends through our shared medical journeys and you have touched my life in a beautiful and wonderful way my friend.....your enthusiasm for life is contagious and you make me laugh.....meeting people like you and your family has been one of the blessings which have come out of having this devastating thing called Chiari. Our wish for you and your family is that one day soon, the memories of your father will bring a smile to your face before it brings tears to your eyes. Hugs and much love.*

“ *The world has suffered a great loss. Not only was Stan a fantastic attorney, real estate developer, and business man, he was your friend. As your attorney, he could help you through divorce, bankruptcy, foreclosure, he could do it all. And when you thought your dire circumstances could not be any worse, Stan would show you something to make you laugh and you knew you were in good hands. Stan was a friend to all and a man a breed apart. I doubt I will ever meet anyone else quite like him. All my love to his wife Ginny and the family.*

“ *Dear Ginny,  
We are so sad to loose such a good man and neighbor. We will miss seeing him at the "corner' with Pudge and Pudding'. And Cove Creek will miss our good friend and kind lawyer. If you need us, we will come running. If you want company, just whistle. You are such a wonderful person. Lean on those around you and never stop going forward. Stan will be with you always,

“ We are so sad to hear about the passing of Mr. Jacobs but just thinking of him puts a smile on our face. Not only was he a friend, he was our lawyer. As an attorney, he made you feel like he was the guy who, if you felt like you were being bullied on the playground, he would be the guy who beat up the bully. From fighter pilot to outstanding lawyer, he was a funny character and the guy we loved. Special sympathy to Ginny who has been such a great wife and shared so many great times for so many years. Looking forward to seeing and hearing Mr. Jacobs's ways through his terrific son Keith, and the grandsons who resemble him so much.

Fondly,

“ It's hard to put into words the hole in my life left by my uncle's passing. My first childhood memories of him was of a dashing handsome fighter pilot - much bigger than life. He later became a lawyer - always ready to help advise the family, my parents Bryna Kulla (his elder sister) and Al Kulla (brother-in-law). It was wonderful to see him so happy with his great wife Ginny and the 'kids' (now all grown with kids of their own). I wish we lived closer. Too many words unsaid and experiences not shared. Rest in peace dearest Unc - I love you and miss you. Jean

“ Stan was such a great guy. He and Ginny always made me feel so welcome in their home when visiting at the beach. I remember as a poor college student offering to chip in for fuel when Stan took me out one of the many times on his boat with Keith. He said "what are you nuts? eat a sandwich , sit back and relax...we're catchin fish today." Smart man with a positive attitude, fantastic wife and family. I care about all of you and I'm really going to miss Stan.
