“ *I met Mr. Stan just one time what an impressionable memory! He was quick to make you feel at home and share his wisdom. Hugs to you my dear, Felicia.*

“ *My condolences to Stan's family. May he Rest In Peace.*

I have very fond memories of working with Stan in the Navy Department and at Dynamic Systems. He was the consummate team player and used the organizational skills he learned in the Air Force to solve very complex logistic problems in the Navy. I was very impressed that Stan continued to these skills to help save the crab population in the Chesapeake Bay!
