“ Aunt Steph-you have been such a huge part of my life and in part have helped make the person I am today. We've shared a lot of memories over the years and had a lot of laughs. Those memories right now are disguised as tears but I will always have those memories and that's what important. You have earned your wings and as you spread them wide and fly high in heaven keep watch over us and know we will do everything we can for Uncle Jimmy and Cody. May you Rest In Peace now that your work on Earth is through. Sending you lots of love through our tears
