

## Stephen Emory Chevront

January 29, 1947 - May 22, 2018

Stephen Emory Chevront of Chestertown, MD, passed away on Tuesday, May 22, 2018, at the University of Maryland Shore Medical Center in Chestertown. He was 71.

Born on January 29, 1947, in Baltimore, MD, he was the son of the late Charles and Stephanie Ulrich Chevront. He graduated from Woodlawn High School, Class of 1961, attended Union College for his undergraduate degree and later graduated from Duke University, receiving a Master's degree in Physics. Mr. Chevront began his career at NASA for five years, before working with Computer Science Corporation where he worked for forty years.

On April 13, 1985, he married Beatrice Caudell, and they lived happily for thirty-three years. In 2013, they moved to Chestertown where they built their dream home.

Mr. Chevront was a member of the Ma & Pa Model Railroading Club. He enjoyed model railroads, liked watching the Orioles, Duke Basketball, and the Ravens (when they are winning). He's always been supportive of his wife and children's many endeavors.

In addition to his wife of 33 years, he is survived by two daughters, Stephanie Chevront Wright and Wesley of Indianapolis, IN, and Jessica Elizabeth

Cheuvront of Chestertown, MD, and a cousin, Bette Mayer of Lewis, DE.

A funeral service will be held on Saturday, May 26, 2018, at 12:00 p.m. at Fellows, Helfenbein & Newnam Funeral Home, 130 Speer Road, in Chestertown where relatives and friends may call two hours prior (10-12). Interment will be in Chester Cemetery following the service.

“ I meet Steve at Hillsdale Chatsworth Methodists Church when we were very young. He was a youth program leader at the time. His whole family attended church there. He was a great man with a huge heart. Many many years have passed since I've seen Steve but the memories are like it was yesterday. Rest in Peace my friend. God be by your side. Ronnie

BC

Thank you for sharing. We have talked often of his past with this church. He had many fond memories of relationships that he developed during this period of his life.
