“ I am so sorry for your loss. Steve was a amazing person. I don't know all his struggles, but I know he had a incredible wife and children supporting him.
In high school I had my first whiskey sour in his basement, served by his mom. I also lost a false eyelash at dinner at his house before the junior senior prom. I don't know where Mrs. Dalton found it!!
You must have many many years of wonderful memories with Steve. I know you'll cherish them.

“ It is hard to believe that it has been over 25 years since Willie played on the Easton Ice Hawks hockey team and this wonderful family became part of an extended family (of questionable sanity) that spent early mornings, evenings, and weekends trying to stay warm in old rinks. Steve was one of the most enthusiastic fans in the stands and a constant source of encouragement for players and coaches alike. I know he and coach Karl Oesterling will be reminiscing in heaven about those wistful days when our kids were younger (and so were we). Jeanne, Deb and I always thought you were an angel on earth and your children were a reflection of the two beautiful souls that raised them.
