“ Jeanie,
We are so deeply sorry for your loss. Steve was such a happy guy, good friend and loved by so many. We have such wonderful memories of our fun times together over the past 18 years. He will truly be missed and never forgotten. Our hearts and prayers are with you always. No words can express the pain and sorrow you and the family are going thru right now. I know Steve is in a better place with no pain. I can see his beautiful smile shining down on everyone. May God fill your hearts with his loving healing light in this time of need. Godspeed Love always,

Steve, you will be missed so much and the old neighborhood will NEVER be the same without you. You were so silly at times, that our jaws hurt from laughing with you! Believe it or not I will also miss, "Sue, Sue, Sue, Sue, Sue, Sue, Sue" and buying you McDonald's hamburgers and fries. There are so many things I will miss, like our sing-a-longs, dinners, fairs, fun stuff with good friends. Rest in peace dear friend.

“ Steve, when I think about you I feel sorrow but the sorrow is always replaced by a little joy joy when I think about you being with me for the birth of my first child and my wedding I could go on and on with the memories but I won't. it just seems as though you are picking me up now when I'm down the same way you always did. Until we meet again my brother.

“ *Missing my Friend*

Words cannot explain the loss that I feel right now. Steve we had some great times together and I will miss being able to share times like that no more. I do have a lot of memories that I will cherish forever and be able to smile when they come to mind or telling them to others.

Love you my Brother

“ *I will surely miss you, Steve. It was always a treat to hang out with you at various car shows and to just chat about hot rods, customs, bikes and life in general. Stay strong, Jean, and take some tiny bit of comfort in knowing that Steve fought valiantly and was an inspiration to many. He will be missed by all of those he touched in a life way too short. His memory will live on in all of us. God speed, Stevie.....Donnie Sutherland.*
