Steven Brice Foster passed away on Saturday, August 7, 2021, at his home in Preston, MD. He was 51.

Steve was born on October 24, 1969, in Long Beach, CA. He was the son of Frederick Hunt Foster and Caroline Sogue Foster of St. Michaels, Maryland.

Steve worked at many local restaurants including, Foxy's Harbor Grill, Harrison's Restaurant, Suicide Bridge Restaurant, and The Washington Street Pub. He enjoyed old movies, going to the casino, double mellowed Tennessee Whiskey, and taking care of his turtles, chickens, fish, parakeet, and cats, with his dog, Moshe, by his side. Steve had a very high, comedic energy that immediately warmed the room.

In lieu of flowers, memorial donations can be made to Fellows, Helfenbein & Newnam Funeral Home, P.A. to help offset funeral expenses.

“ *My heart goes out to mom Carol and dad Fred and all who love you Steven. I only had the honor of your presence twice. You were an absolutely adorable baby and a handsome little toddler. Around 10 or 11 your proud uncle Steve showed me a picture of you that strikingly resembled your cousin Johnny...May you rest in paradise Steven... ✨🌹✨ Rochelle*

“ *Stephen was my cousin, though I only knew him back in the high school days (1984) in Culver city. He will be missed. RIP cousin.*

“ I remember sweet Steven as a young boy of 8-10 years old, he was slim, quiet and cute, he looked like his mom Carol and had very long eyelashes. I did not get to know him as an adult, but according to his obituary, it is quite clear that he was loved by family, friends, co-workers and his animals. To Carol, Fred and family, I am deeply sorry for your loss and heartbreak. Steven will always be your little boy, may he rest in peace, heaven gained another angel. Love, Cousin Arlene and Family.
