

Steven David Hymson

April 26, 1950 - August 21, 2023

Steven Hymson, 73, passed away peacefully at home on August 21, 2023. He had been living with bravery and grace for over two years after learning he had ALS.

Steve was born in Philadelphia, PA on April 26, 1950 to Martin Hymson and Mae (Saslow) Hymson. He graduated from Olney High School, attended community college and lived in the greater Philadelphia area the majority of his life, with a career in building product sales. He married the love of his life, Donna (DiDonato) Hymson, in 1977. They welcomed a daughter, Natalie (Hymson) Lentz and eventually gained a son when she married Kenneth Lentz in 2004. In 2021, following retirement and a devastating diagnosis, Steve and his wife moved to Tilghman Island, MD to be near their daughter and son-in-law on the beautiful Eastern Shore.

Steve genuinely enjoyed and appreciated the simple things in life, including good food, football (Go Eagles!), cars, old movies, taking long walks with his wife, day trips to the shore and telling jokes with his friends. Above all, he loved his small close-knit family who he cherished every moment with, especially during the last couple years of his life. He will forever be remembered as an incredibly loyal, dependable and honest man, with a selfless attitude and sense of humor that he maintained with the utmost bravery and grace up to his last breath.

He is survived by his wife of over 46 years, Donna; daughter, Natalie Lentz (Kenneth); brother, Warren Hymson; as well as several nieces and nephews.

A Celebration of Life will be held for family and friends on Saturday, October 7, 2023, 12:30pm, at The Tilghman Island Inn, 21384 Coopertown Road, Tilghman Island, MD 21671.
