Daddy-O... You were DEFINITELY the BEST dad I could of ever asked for. There's NEVER NOT once that I EVER doubted you loved me. NEVER. You were ALWAYS my Dad first before ANYTHING!! And that's DEFINITELY an amazing way to parent. I want to be a parent EXACTLY like that. I am EXTREMELY lucky to have Barb as my Step Mom. She's been ABSOLUTELY amazing through ALL of this!! I already made it clear she's stuck with me FOREVER. Until we meet again Daddy-O. You will NEVER be forgotten. And you are DEFINITELY loved by so many. I'm just wishing I got there for that much over due Daddy Daughter time!! I'm missing you so much already. I love you more than words can say. Xoxoxo
