“ *Stu was a great person. He could always make me laugh when I needed a chuckle, (even when he had serious health problems). Stu was a great golfer. Several years ago, a mutual friend of ours, John J., whose whole life was golf, was standing next to me behind Stu when he (Stu) launched a beautiful drive. John couldn't stop marveling at how someone at our age could be that good!*

I know many of us who will really miss Stu. He was definitely one of a kind!

“ *Stu was a very special person. He was a good friend and he loved to play golf, watch the O's, Ravens, and I'm sure in the day the Colts. He loved Diane and would share with us how much she was his "better half". I will miss him.*
