“ Wes, Andy, Paul, TJ, and the rest of the extended family, I am so sorry to see this. There were several years in between the times I saw Aunt Sue recently, but every time was bittersweet with love. The last time I saw her was at Uncle Timmys funeral, though I have thought of her very often since. Mom loved her like a sister and I will never forget as a kid the many times her and Timmy would come over and visit mom and dad and play cards or who knows what else cuz I was always shooed away. Or the many times we gathered at their house, or for crab feasts or "summers on the wye"... So many memories I have and will cherish. Though we didn't have much contact recently, I will always remember her infectious laugh and her warm hugs. I would like to think her and Timmy were sitting at a kitchen table with mom and dad carrying on and laughing up in heaven. May she rest in peace among them.

“ Sue has been a part of my life for the past 32 years. She has always been my second mother and saying goodbye is heartbreaking. She welcomed me with open arms into the family when Andy and I married and we always shared a special bond. She loved me like her own, and never treated me differently after the divorce. She was a fabulous mother and grandmother, always being there and doing all she could for everyone else. She taught me so much over the years, and I couldn't have asked for a better mother-in-law. Although we haven't been as close in the last several years, she will always be my second mom. She was a true blessing in mine and the girls lives, and will be greatly missed. Life will not be the same without her, but she will live on in my heart forever. May you Rest In Peace dear Mother.

“ Sue was always so lovely, and had a heart of gold! We were childhood friends and shared fun memories of playing together as our families were both in the farming community! Her mom Ms Mary, was the organist at our wedding! We reconnected when I was a teacher at Greensboro Elementary and she attended grandparent's day! She was a devoted mom, and grandma! Sending prayers and love to the family! Love! Mary Ruth (Dodd) and Eugene Higgs

Sue and I were classmates at Centreville High School. The Class of 1966. Many great times and I can still see here making all of those Kleenex flowers for our Jr. Prom. I would chat with her in the food store about our high school days. Prayers to her family. Sue RIP. You will not be forgotten. Lynda Harris Palmatary, Centreville

“ My name was sarah allen in school. Sue was my friend in and out. The fact that i was poor even though i was not in the majority didn't matter to her or her mom!

What better legacy, as Jesus said

"Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me". Fly high my friend!!!
