“ *Our deepest condolences to all of the Whaley/Allen family. We have many great memories of sharing time with Sue. One of my favorites is the year Sue and Dick traveled north to the Big E llama show in Springfield Ma. to see Caroline and (my daughter) Molly showing their llamas. Sue, walking around with her walking stick that also doubled as a fold out stool. Dick, giving us all an amazing lesson on the cows, sharing his wisdom...especially the Angus! I remember so vividly Sue looking at me on about the third day of the show and asking, "Do you ever take that baseball cap off? You really should, you know...you have such pretty hair!" I still laugh out-loud when I think about it! Sue really had a way with words and she definitely passed that on to her children and grandchildren!! Much love to all of you...our lives are richer having known this lovely, kind woman!
Peace,
Raz and Molly*

Mr. Dickie and family: Our many blessings are with you at this time during your loss. I was so glad to have been her Hospice Patient Volunteer and we had some good talks and laughs. She surely was an icon in the community and will be missed by many. May God give you the strength and love to get through this difficult time. Thinking of you.
