“ A dear cousin with many talents. I loved her detailed descriptions of the many places she traveled. Her smile was such a delight that warmed your heart.

“ Jean wrote about Sue as a friend, and I want to remember her lovely voice. Sue sang at Woods Presbyterian in Severna Park and with the Chester River Choral in Chesterton. We enjoyed many of these marvelous concerts because she was singing.

“ Sue was my co-worker and friend of many years. I walked with her when she lost her husband, and she walked with me when I lost mine. We shared many good times and memorable outings, especially our cross Canada train ride and our 2007 tour of China. She was a very sweet person and she delighted in Mark & Suni and her grandsons.

“ Dear Mark and David,

Brigitte and I send you our heartfelt condolences on the loss of your mother. We first met Sue at her wedding to Bob in 1962, at which I was Bob's best man. Over the years following we saw them often and witnessed their raising a family of boys. When we moved to Heron Point in 2014, we were happy to see that Sue was living in the same wing of the building that we would. She was a nice person and we have fond memories of knowing her for so many years.

Sincerely,

Jack Stenger
