“ *My godmother, Aunt Sue, was one of the nicest and kindest women I've ever known. Always smiling and ever present and supportive through every event in my life over 57 years...including two marriages. She will also be missed for her gentle soul and for always making the BEST chocolate chip cookies. Rest in peace Aunt Sue. Love always, Cindy, Ed and Marin Sunich*

“ My heart will forever be etched with the vision of you in your sweater looking over your glasses at me giggling at whatever story I was telling you, each with a cat on our lap and the TV in the background. Driving you to Easton one day you asked me how I ended up with green hair and I told you. I finished the story with “that’s how you ended up with your goofy green haired caregiver”. Without missing a beat you said “I really like my goofy green haired caregiver“. I really liked, and loved, you too. You were always the best part of my Mondays and Tuesdays. Golly, those are big shoes to fill. I love you so much x
