“ Julie. I met you when we were 12 and in seventh grade. From the first moment, I knew we would be lifelong friends. The bonus I got was that your family enveloped me as one of their own. Sue and George always had smiles and good news to share. I was honored to spend some of Georgia's last days with him and to provide a small modicum of relief to your family in the process. I wish I had been able to do the same for Sue. Your parents will be sorely missed by anyone who was privileged to have met them. Sending you love and hugs to help you through this time of loss. Sending healing prayers for all of you.
Love, Nikki
