“ *We were high school friends. We used to call each other Troll because of the bridge we had to cross to get to each other's houses. The bridge was on the edge of campus near her house and in a wooded area. We joked that trolls lived under the bridge. The bridge was probably just a small wooden structure but memories have it as a bridge of some sort. I'll always remember her sweet and kind disposition, she was a good friend. XOXO Troll. 🥰*
