“ I, like Becky Glenn had the pleasure of knowing Susan from her Kent News days. She was a gentle gem. I don't believe that I ever met her family, but I do derstand your pain having lost my husband a year and half ago. You will be in my prayers and when you are ready, I highly recommend grief counseling with Anne O'Connor at Hospice.##imported-begin##Shelly Coleman##imported-end##

“ I first met Susan when we both worked at the Kent County News. What a lovely person and such a sweet smile! Saying sorry for your loss doesn't seem to fit, maybe saying how blessed we were for having Susan touch our lives is what we really mean to say. God bless.##imported-begin##Becky Glenn##imported-end##
