Afterglow

by Helen Lowrie Marshall

*I'd like the memory of me
to be a happy one.
I'd like to leave an after glow
of smiles when life is done.
I'd like to leave an echo
whispering softly down the ways,
Of happy times and laughing times
and bright and sunny days.
I'd like the tears of those who grieve,
to dry before the sun
of happy memories
that I leave when life is done*

“ To Susan's Family: My deepest sympathy in the loss of your loved one. Susan was a loving wife and mother and I will always remember her sweet smile. Her loss leaves an empty space in the hearts of all who knew her but she is now at rest and at peace with our Lord. My thoughts and prayers are with her family. May the memories of your happy times together with Susan comfort you through the days ahead. Love, Mrs. Grace Russell

“ I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. I will always have a smile when I think of you!! Your beautiful smile and the kind way you always would touch my arm when we saw each other. You will be missed very much by many!!! May you rest in peace. Love you Suzie Q!!!!!!!

Tater, you are such a good friend of Susan's. She always talked about you and that how much she admired you. Life is too short and it was definitely not Susan's time to go. I do and will miss her forever.

“ I love you Susan!!! My heart hurts so bad to know I will never be able to give you another hug or hear your voice! But that would only be selfish of me to not believe that you are at peace even though you were taken way too soon!! My heart will forever be with you! To Danny, Bethany and Justin: You three were Susan's whole world, she was such an amazing mother and wife who loved you more than life itself! I can't even imagine your pain! Please know I love you all and am always here for you no matter what! Susan was such a good friend to me and I miss her tremendously! My love, thoughts and prayers! Ashley Z Lyon

Ashley, you were such a great friend of Susan's. She really did love you and was so so happy for you when you got married. We both were so happy for you. She still once a week would talk about how much fun we had at your wedding and how nice it was to see everyone and talk with friends.
