“ Still trying to wrap my mind around the loss of you and Blain. I'm so glad we had some time together the past month or so. I miss you so much Susan Louise. The only upside to all of this is that I know you're no longer suffering, you're at peace in Jesus' arms and you and Blain are back together. Truly feeling heartbroken. I love you and will never stop missing you. Rest peacefully Sis. You'll truly be forever in my heart, thoughts and prayers.

“ Oh my this is terrible. Blaine and now Susan. Samantha and Trey I know you really do not know me but your Dad and Mom were wonderful people to me when I worked at Drug Fair in Easton. I never ever will forget them and thought about them often. If there is anything I can do just let the Easton funeral home know and I will help however I can. Your Mom would come to the store on Sunday mornings and help me if I had a problem with the daily cash reports. Your Dad always knew how to make bad days brighter. Together they were an awesome couple. They are together again and at peace. Please cherish the good times that you had with them.
Rest in Peace my friends
