January 28, 1969 - January 31, 2022

Susan Lynne Willey passed on January 31 after an 11 year battle with metastatic adenocarcinoma of unknown primary origin.

She loved to dance, travel, read fiction, and help others. She loved her faithful cat, Buddy.

She wanted to leave the world a more positive place and tried to choose kindness always.

Born January 28, 1969, to the late John L. Willey and Phyllis Dobson Slaughter (Trappe, MD), she was the sister of Jeff Willey and devoted aunt of Lucas, Daphne, and Eliza (Raleigh, NC). She graduated from high school in Kensington, MD, and earned a Bachelors in Information Technology from Rochester Institute of Technology. Her careers spanned technical education and training, and finding employment for residents of Maryland.

Susan traveled throughout the US and Canada, visited Europe (Copenhagen was her favorite city), Argentina, and the Bahamas. She was an avid games player, spending countless hours with her family playing board games and cards.

She donated her body to medical education and research, and following

cremation, will be buried in Oxford Cemetery in a private family service. A Celebration of Life event is planned in the future.

In lieu of flowers, donations in her honor can be made to your local SPCA, animal rescue or charity of your choice.

A celebration of life is being planned for a later date.

“ *Susan was my "go to" person for help in job search. It was her expertise in interview techniques that helped me get my dream job. Because of this help in getting my dream job, we were invited to the State of the State address in 2012. We were mentioned in the speech and Gov. O'Mallary called us the "Dynamic Duo". I was glad Susan got recognition for all that she did to help people find jobs. She was a lovely person, always with a smile and encouraging words.*

I am glad I got to know her.

*With sympathy,
